

TO INCREASE SAILINGS

Six Steamers a Week from
Baltimore Hereafter

BETTER FREIGHT SERVICE

Merchants & Miners Transportation
Company Virtually Grants Conces-
sion Asked for by Local Merchants
—News of Shipping.

Announcement was made yesterday by Frank H. Bragg, local agent of the Merchants & Miners Transportation Company, that within the next week or ten days his company will increase its weekly sailings from Baltimore to Newport News from four steamers a week to six steamers a week. Under the new schedule a steamer will arrive here from Baltimore every morning except Thursday.

Coming as it does upon the heels of the announcement of the new fast freight service of the Old Dominion Steamship Company between New York and Newport News, this news is gratifying to the local merchants and business men generally. Under the new arrangement the merchants can get their goods from Baltimore much more frequently than heretofore and this will be particularly pleasing to the wholesale people who buy large quantities of produce in the Baltimore market.

Want Quicker Delivery.
The securing of the six-steamers a week service is the first step in a betterment of freight conditions from Baltimore to this city. The matter of quicker handling of the freight on this end of the line will now be taken up and the merchants hope to have it adjusted satisfactorily. It seems that the Chesapeake & Ohio railway requires the Merchants & Miners Transportation company to unload all local freight from its steamer and place it on cars on which it is transferred to the uptown freight depot. After being received in that depot the freight can be delivered by the company's wagons to the consignees here.

The merchants want the freight delivered direct to them from the steamer within two hours, at the most, after the Baltimore steamer dock here. This matter will be taken up with the railway and steamship officials in the immediate future.

Six Vessels for Coal.
Six vessels came into port yesterday for coal cargoes. These included one steamer—the Bay State—two schooners and three barges. All of the vessels except one barge were docked at the coal piers and one of them, the Bay State, will get out of port this morning.

Five days out from Portland, Me., the big five-masted schooner Singleton Palmer, Captain Potter, came into port yesterday morning and anchored in the harbor. She is to take 4,500 tons of coal for New England.

Coming for Export Freight.
Three vessels are expected in port this week to load export freight and the merchandise piers will be kept busy during most of the week. Among the vessels due is one Furness-Witby liner and one Holland-America liner.

Strathfillin to be Released.
The British steamer Strathfillin, which is being held in quarantine at Old Point for five days, will be released Tuesday and will come up to this port to load coal for Manila. She came from Santos and reached Old Point last week.

Ruth Completes Repairs.
Having completed minor repairs at the shipyard, the new Bull Line steamer Ruth left the yard yesterday and dropped down to the coal piers to load 350 tons of fuel coal before proceeding north to load a cargo. The vessel was completed at the local shipyard last month.

Texas Due Here Today.
The Danish steamer Texas is due to arrive here today from Christiansa, Norway, with eighteen passengers and about 1,500 tons of import freight. Her cargo consists of wood pulp, paper and other stuffs, all of it being consigned to western cities.

Three barges—the Havana, Brockton and Carrie Clark—arrived in port yesterday to load full cargoes of coal for New England ports.

SHOWMAN SUMMONED FOR FIRING GUN IN STREET

Moore, one of the performers, to the police station to answer the charge of discharging firearms in the street. The case will be heard tomorrow morning.

The carnival people were having a parade on Jefferson avenue yesterday afternoon and Moore is said to have started to "whoop things up" by discharging a few blank cartridges in the air. The shooting attracted a big crowd and Officer Messick promptly arrested Moore and took him to the police station. He was not locked up, however, it being agreed there to merely summon him to court for Monday morning.

ELKS AND EAGLES READY FOR BATTLE

"Large" Game Will be Pulled off at Casino Park Wednesday.

Some big excitement is looked for at the Casino park Wednesday afternoon at 3 o'clock when the baseball nines of the local lodges of Elks and Eagles clash for the benefit of the Joseph Charles Memorial Guild. The advance sale of tickets has been rather heavy and present indications are that a big crowd will be on hand.

"Christy" Horwitz, manager of the Elks, says he has gotten a strong lineup together and that the "Birds" will be gored and "hoofed" to death in about seven rounds. Manager Sturm, of the Eagles, claims, however, that it is going to be "the other way around" and that the "Birds" will pick the Elks to a frazzle.

Herr Mueller, who will start on the firing line for the Eagles, has been doing some strenuous practicing during the past week and has gotten together a collection of wicked and baffling shots that would make even the mighty Hans Wagner fan the air. In case his "curves" don't break just right, Manager Sturm has been grooming W. F. Cassidy, also a heavy-weight, to take Mueller's place in the box.

Abe Horwitz will again start off on the mound for the Elks and he says that he has invented a ball that has Mathewson's fadeaway beat a couple of city blocks. Jake Eisenman also has gone into training to do the relief stint in case the "Birds" make it too hot for "Christy."

The band of the Eagle Engine Company has been engaged for the game and John O'Hara has consented to be the official umpire.

Vaudeville and Pictures

Kleen, "master of the human mind," assisted by Miss Lynbrook, will feature the vaudeville bill at the Bell theater this week. This is expected to be one of the most sensational acts ever offered at the Bell, and the management is confident that it will be a big drawing card. Last week Kleen appeared at the Colonial in Richmond with big success. There were more than six thousand paid admissions at the Colonial during one afternoon and evening, and one of the Richmond papers, commenting upon Kleen's work, said: "It seems little short of marvelous."

Second on this week's bill will be the Merkel Sisters, in a singing and dancing comedy sketch. This act is said to be far above the average. Then there will be Ned Gerken, the "barefoot whistling cook," with a supply of laughs.

As usual there will be regular changes of moving picture programs. An especially attractive assortment of pictures is promised for tomorrow, and the orchestra will have a special musical program for the occasion.

Mr. R. M. Lett, who has been in Williamsburg for several days appearing as counsel for John Clowes, returned home yesterday. Clowes, who was charged with attempted criminal assault, was fined \$50 for assault.

ST. VINCENT'S TEAM WILL REORGANIZE

Newport News Will Have Fast Football Eleven This Season—Many Games Arranged

Manager J. Hugh Caffee, of the St. Vincent's football team, announced yesterday that the squad will meet Wednesday night at 8 o'clock at Monfalcone's news-stand to reorganize for the coming season. All of the best material of last year's speedy eleven will be back in the line-up and several new players will be worked out. The team will get down to work early in the season so as to familiarize itself with the new playing rules. Frequent practice will be held at the Casino and the eleven will be whipped into shape by experienced players.

Among the stars of last season who will be back with the eleven are: Hancock, Hamilton, quarterback; Cockran, fullback; Carroll, halfback; Sutton, halfback; Wilkinson, and Monfalcone, ends; Goode and Dr. Gards, tackles; Noble and Allen, guards.

It is expected that there will be about twenty candidates for the team and some of the regulars will have to work hard to retain their positions. Manager Caffee has already arranged a number of games for the season. A game each will be played with the eleven of Randolph-Macon College, Richmond College and Hampden-Sydney College and with the fast Norfolk Blues. Other games will be arranged later in the season.
